The minutes of April 4 were approved as written.

President's Report

1. Patterson informed the Board that the Student Action Center's deadline is Friday, April 13, at 5:00 p.m. Interviews will be starting Monday, April 16, at 4:00 p.m. and Tuesday, April 17, starting at 2:00 p.m. Anyone interested in participating in the interviewing process are encouraged to do so.

Vice President's Report

3. Sauter informed the Board that there will be a lot of committee appointments to be ratified next week. If any Central Board members is interested in seeing what committees they are down for, they should see Jeremy before Tuesday, April 20.

Business Manager's Report

4. Gullickson gave the Board an overview of the various budgeting forms used by ASUM.
5. A seconded motion came from Budget and Finance to let AWFC Conclave (Forestry Students Association) use \$600 from next year's budget (1984-85) to be used for their conclave this spring. Budget and Finance put a stipulation on the group that the \$600 would come from special allocations now; and then when the group receives their budget next year, this money will be repaid back to special allocations.

Hense - Keyes

Previous question. Upon vote, motion passed.

5. Gullickson informed the Board that next week a special allocation in the amount of \$720.65 from the Montana Kaimin will come up for a vote.

6. Special allocation request of \$668.33 from the Kyi-Yo Indian Club for security was tabled because lack of data.
7. Budget and Finance approved a line-item change for the Wildlife Society in the amount of \$100 from 2299, supplies and materials general, and \$198.39 from 2599, rentals, to be line-itemed into 2199, general (artist's payments) - \$130; 2899, other expenses general - \$154.58; and 2214, printing - \$13.81.
8. Next week Budget and Finance will review the line-item request for the UM Advocates to try and come up with some guidelines concerning non-work study. The UM Advocates have been requested to submit a job description to the Committee before their next meeting on Monday.
9. Budget and Finance disapproved a line-item change at this time for the Montana Kaimin in the amount of \$10,000 from 3000, equipment, to 2214, printing. The Montana Kaimin asked that this request be rescinded at this time to see first if they could recover their debt by other means.
10. Greg Gullickson and Kim Ward, Montana Kaimin Business Manager, explained to the Board that the Kaimin is currently having budgeting difficulties, and they tried to explain to the Board their plan of action they are currently working on to try and recover this deficit.

New Business

11. Glen Campbell came before the Board asking for their support for the Excellence Fund Student Phonathon May 2 through 17. Volunteers are needed to help out. See Appendix B for details.
12. Freeman Dodsworth, MontPIRG representative, came before the Board to give an update on MontPIRG's activities with voter registration and their upcoming conference in Bozeman this weekend. Recently, Freeman traveled throughout Montana trying to stop at as many colleges and universities as possible to recruit people to get involved with the voter registration drive. Freeman encouraged ASUM to get involved. He stated that MontPIRG is trying to get the student governments throughout Montana involved. MontPIRG is providing housing and transportation for anyone interested in attending the conference in Bozeman. Registration for the conference is only \$5. Dodsworth ended by saying MontPIRG hopes to run an extremely strong voter registration drive beginning April 16 and running through the presidential election.
13. Bill Mercer, ASUM Legislative Committee Chairperson, informed the Board what the Legislative Committee is planning for a voter registration campaign. First of all, Mercer pointed out that the committee's aim is on this campus and in Missoula. MontPIRG is taking a broader perspective. The Legislative Committee sees the following problems: (1) student ignorance, (2) problems arising in the state voter registration regulations, and (3) problems in that it is difficult for some students to vote.

The Legislative Committee is trying to gather information to help make the laws in Montana clear concerning voter registration. The committee's aim is to try and make registering simple on this campus. One means of doing so is to have a table at registration, which they did during winter quarter registration. The committee obtained excellent results by having students register to vote as they are registering for school. Mercer stated that if the committee is able to get students to vote in the upcoming election then the expenditure the Legislative Committee paid for to send Bill Mercer to Boston to attend the Voter Registration Conference would be worth it.

Some of the goals of the Legislative Committee are: (1) Hold a voter forum. (2) Putting together a voting guide for all students and to provide all voters in the State of Montana with vital information. (3) The Legislative Committee will be a non-partisan effort. The committee will be against petition drives, but they hope to try and involve different organizations on campus--the Montana Kaimin, KUFM, etc. (4) Go door to door hanging banners. (5) Make better effort for poll watching. (6) Work on the absentee ballot system to make it easier for students to vote in the counties they want to vote in. Mercer ended by saying the Committee is open for comments. On Monday, April 19, Mercer's report on the Voter Registration Conference in Boston will be available for anyone interested in reading it.

Old Business

14. Henderson - Yielded the floor to Ford Stuart, IFC president. Ford asked the Board to reconsider the line-item change for IFC in the amount of \$751.10 to be used to attend a conference in Tahoe. See Appendix C for details.

Henderson - Crilly

Motion to accept line-item change for Interfraternity Council in the amount of \$751.10. Discussion followed.

Mercer - Josephson

Motion to restrict travel from four people attending to having only one person attend.

Johnson - Hense

Previous question. Upon vote, motion passed. Upon vote on amendment to allow only one person to attend the conference and allow a line-item change of \$562.80, motion passed. This then became the main motion.

Josephson - LeSeuer

Amendment to main motion to send two people to conference instead of just one making the line-item change for \$646.80. Discussion followed.

Desmul - Hense

Previous question. Upon vote, motion passed. Upon vote on amendment to allow two people attend the conference, motion passed. Upon vote on main motion to allow a \$646.80 line-item change and let two people from IFC attend Tahoe Conference, motion failed.

18. LeSeuer - Talked to the UC Bookstore, and they will be ordering five Parliamentary Procedure at a Glance - New Edition books if anyone is interested in obtaining one. Jim's telephone number is different than what is on the current list of Central Board members. His number should be 549-7634.

April 11, 1984
